INTRODUCTION/PURPOSE

The New Mexico Crime Victims Reparation Commission (CVRC) is soliciting competitive applications from agencies that provide direct services to victims of crime in New Mexico (state and tribal lands). Eligible applicants include agencies that are currently funded in Federal Fiscal Year (FFY) 2026 for a VOCA Victim Assistance award from CVRC and other non-profit and governmental agencies based in New Mexico that provide direct services to victims of crime who wish to apply as new applicants.

This solicitation is being issued as a competitive application process. Funding is not guaranteed for currently or historically funded VOCA Victim Assistance (VA) programs.

Approximately \$9.3 million is anticipated to be available to support competitive projects throughout the state to ensure access statewide to survivors of crime within governmental, non-governmental, non-profit, tribal, and other providers of direct victim services. This funding is subject to the final VOCA Formula Grant award, availability of federal funds, and Commission approval.

CVRC is committed to administering VOCA funds through a fair, transparent, and competitive process that promotes statewide access to high-quality direct victim services while ensuring compliance with applicable federal statutes, regulations, and grant requirements.

The specific level for future funding cycles from the Office for Victims of Crime (OVC) is based on the federal award received by CVRC. The level of federal funding received determines awards. This competitive solicitation is consistent with the State of New Mexico Crime Victims Reparation Commission 2022-2025 Strategic Implementation Plan which outlines the current statewide funding priorities and the State Implementation Plan. Funding under this solicitation may be awarded for an initial 12-month project period, with continuation funding for up to three additional years, subject to the availability of federal funds, satisfactory performance, compliance with award requirements, and Commission approval.

All applications must support CVRC's current statewide VOCA funding priorities as identified through the State Implementation Plan and this competitive solicitation. The State Implementation Plan can be found at <https://www.cvrc.nm.gov>. <https://CVRC.nm.gov>. Examples of programs that may be supported through this Request for Proposals include victim/survivor advocacy, counseling, victim coordinator positions, direct victim service positions, and language access and accessibility services provided by nonprofit, Tribal, and governmental victim service organizations (including District Attorneys' offices, the New Mexico Corrections Department, and law enforcement agencies) throughout the state.

Selected subrecipients must provide free direct services to victims of crime including, but not limited to, domestic violence, sexual assault, human trafficking, child abuse, DWI/DUI crashes, financial exploitation, survivors of homicide, elder abuse, stalking, and assault. Subrecipients may provide direct services to victims regardless of their participation in the criminal justice process, and victim eligibility for direct services under this program is not dependent on the victim's immigration status.

A short YouTube video which describes the process for completing this application will be available by July 6, 2026. The link to the video will be available on the NMCVRC YouTube Channel and on our website at cvrc.nm.gov. **We highly encourage applicants to review the video in its entirety prior to starting the competitive application process. This will save you significant time.**

PROPOSAL REVIEW COMMITTEE

A Review Committee appointed by CVRC will perform the evaluation of proposals. All submitting agency proposals will be reviewed for compliance with the mandatory requirements stated within the RFP. Proposals deemed nonresponsive will be eliminated from further consideration. The Review Committee may use other sources of information to perform the evaluation. Responsive proposals will be evaluated on the factors in the evaluation summary that have been assigned a point value. Applications receiving the highest overall scores and determined to be the most advantageous to the victims of crime in NM and best addresses organizational capacity, and funding priorities will be recommended for funding consideration. Please note that a deficiency in the response to any one factor may be grounds for rejection and deemed nonresponsive, regardless of overall score for any applicant. This process will take place as referenced in the "Sequence of Events." During this time, the Grants Bureau Chief may initiate discussions with agencies that submit responsive or potentially responsive proposals for the purpose of clarifying aspects of the proposals, but proposals may be accepted and evaluated without such discussion. The applicant shall not initiate discussions.

Preliminary Award Approval: The Review Committee's recommendations will be presented to the Commission as referenced in the "Sequence of Events" timeline for discussion. The Commission will then vote on the Review Committee recommendations.

Preliminary Award Notification: An email will be sent out to all agencies informing them of the CVRC Commission awarding decisions. Additional information may be requested at this time.

Appeal Letters Sent to CVRC: Any agency wishing to appeal the Commission's decision must submit a written appeal to CVRC Director Frank Zubia by 10:00 a.m. Mountain Time on September 8, 2026, via email to Frank.Zubia@cvrc.nm.gov, with a copy to CVRC.Grants@cvrc.nm.gov. Only appeal letters submitted by email will be accepted. Failure to submit an application on time is not grounds for appeal. Appeals must be in the form of a written letter and must include the name and address of the

appealing agency and the request for proposals' title. The letter must contain a statement of grounds for the appeal, including appropriate supporting exhibits, and must specify the requested outcome.

Appeal letters received after the deadline will not be accepted for consideration.

Appeal Hearing: On the date of the hearing, Thursday, September 24, 2026, an applicant's representative(s) will be allowed to speak for a limited amount of time. Instructions will be sent to those who submitted an appeal letter in accordance with the solicitation instructions. The Commission may then vote on the appeals and the final awards. Notification of the Commission's decision will be provided in the final award email.

Final Award: Final award notifications will be issued following Commission approval on September 24, 2026 through the WebGrants system and/or via email.

Signed Contracts: The contracts will be routed through DocuSign for signature. An email from DocuSign will be sent to access and sign the contract. BACKGROUND INFORMATION

The New Mexico Crime Victims Reparation Commission (CVRC), created by Laws of 1981, Chapter 325, under the Crime Victims Reparation Act, has a stated purpose "to protect the citizens of New Mexico from the impact of crime and to promote a stronger criminal justice system through the encouragement of all citizens to cooperate with law enforcement efforts." More information is available at <https://www.cvrc.nm.gov>.

In addition to processing crime victim compensation applications, CVRC administers the federal Victims of Crime Act (VOCA) Victim Assistance Grant. This act provides funding for organizations that provide direct services to victims of violent crime throughout the state.

In 1984, VOCA established the Crime Victims Fund (the Fund) in the U.S. Treasury and authorized the Fund to receive deposits of fines and penalties levied against criminals convicted of federal crimes. This Fund provides the source of funding for carrying out all of the activities authorized by VOCA Victim Assistance.

The Office for Victims of Crime (OVC) makes annual VOCA Victim Assistance grants from the Fund to states. The primary purpose of these grants is to support the provision of services to victims of crime throughout the Nation. For the purpose of these guidelines, services are defined as those efforts that (1) respond to the emotional and physical needs of crime victims; (2) assist primary and secondary victims of crime to stabilize their lives after a victimization; (3) assist victims to understand and participate in the criminal justice system; and (4) provide victims of crime with a measure of safety and security.

The purpose of the VOCA Victim Assistance grant program is to provide services to all crime victims regardless of their ability to pay for services rendered or availability of insurance or other third-party payment resources. Crime victims suffer tremendous emotional, physical, and financial losses. It is the intent of VOCA to reduce the impact of the crime by offering effective services at no cost to the victims.

The New Mexico Crime Victims Reparation Commission (CVRC) is the state agency designated to administer the VOCA Victim Assistance grant program. As such, CVRC establishes policies and procedures defined by the requirements of the VOCA Victim Assistance Rule and the State of New Mexico.

CVRC is committed to serving the victims of violent crime as well as the citizens of New Mexico by carefully reviewing applications for compliance with their respective federal acts and rules. Evaluating applications ensures that the funds are spent consistently with the State's intent of assisting victims of violent crime. The Commission and staff are dedicated to this task.

EXPLANATION OF EVENTS

This solicitation is for competitive applications that align with CVRC's current statewide VOCA funding priorities and the State Implementation Plan. Applicants must submit all required documents through the New Mexico Crime Victims Reparation Commission WebGrants system by the deadlines outlined in this solicitation.

CONTRACT START DATE

The project period begins on October 1, 2026. A fully executed contract will be uploaded into Webgrants by the date indicated on the timeline.

GENERAL REQUIREMENTS

Applicants are required to adhere to the conditions governing the application process. Submission of an application constitutes acceptance of this application process.

UNIQUE ENTITY IDENTIFIER (UEI)

All applicants under this solicitation must include a Unique Entity ID (generated by SAM.gov). Applications without a Unique Entity ID are incomplete.

SYSTEM FOR AWARD MANAGEMENT (SAM.GOV)

All applicants for federal grants are required (other than individuals) to maintain a current registration in the System for Award Management (SAM.gov) database. The SAM.gov database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov or CCR.gov should be registered and have already migrated their accounts, as it is a requirement for Grants.gov registration. Please note that applicants must update or renew their SAM.gov registration at least once per year to maintain an active status. Information about registration procedures can be accessed at www.sam.gov.

All applicants' SAM.gov expiration dates are required on the application, and to be uploaded into WebGrants.

INCURRING-COST

DISCLOSURE OF APPLICATION CONTENTS

The applications will be kept confidential until a contract is awarded. At that time, all applications and documents pertaining to the applications will be open to the public.

TERMINATION

This application may be canceled at any time and applications may be rejected in whole or in part if CVRC determines such action to be in the best interest of the State of New Mexico.

Any contract awarded as a result of this application process is limited to the amount of VOCA Victim Assistance funds available. There can be no expectation that future funding will be available to continue an awarded project.

BASIS FOR APPLICATION

Only information supplied by CVRC, in email communications by the Grant Administrator, or in this application should be used as the basis for the preparation of applicants' applications.

REQUESTING AGENCY'S QUALIFICATIONS

The Review Committee may make such investigations as necessary to determine the ability of the

applicant to adhere to the requirements specified within their application. The Review Committee will reject the application of any applicant that is not a responsible agency or fails to submit a responsive application.

RIGHT TO WAIVE MINOR IRREGULARITIES

The Review Committee reserves the right to waive minor irregularities. The Review Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive applications failed to meet the mandatory requirements and/or doing so does not otherwise materially affect the procurement. This right is at the discretion of the Review Committee.

THE AWARDED AGENCY MUST UNDERSTAND AND AGREE TO ABIDE BY THE FOLLOWING FEDERAL REQUIREMENTS:

EQUAL OPPORTUNITY COMPLIANCE

The subrecipient agrees to abide by all federal and state laws, rules, regulations, and executive orders of the Governor of the State of New Mexico pertaining to equal employment opportunity. The subrecipient agrees that no person shall, on the basis of actual or perceived race, religion, color, national origin, sex, sexual orientation, gender identity, age, or disability, be excluded from employment with or participation in, be denied services, or be otherwise subjected to discrimination under any program.

REQUIREMENTS PERTAINING TO PROHIBITED CONDUCT RELATED TO TRAFFICKING IN PERSONS

The subrecipient must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of subrecipients or individuals defined (for the purpose of this condition) as “employees” of the subrecipient. Details are provided at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm>

CIVIL RIGHTS AND NONDISCRIMINATION COMPLIANCE

The subrecipient will comply (and will require any contractors to comply) with any applicable federal nondiscrimination requirements, which may include the Omnibus Crime Control and Safe streets Act of 1968 (42 U.S.C. 3789d); the Victims of Crime Act (42 U.S.C. 10604 (e)); the Juvenile Justice and Delinquency Prevention Act of 2002 (42 U.S.C. 5672 (b)); the Civil Rights Act of 1964 (42 U.S.C. 2000d); the Rehabilitation Act of 1990 (42 U.S.C. 13131-34); the Education Amendments of 1972 (20 U.S.C. 1681, 1683, 1685-86); the Age Discrimination Act of 1975 (42 U.S.C. 6101-07); 28 C.F.R. pt 31

(U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Exec. Order No. 13279 (equal protection of the laws for faith-based and community organizations); Exec. Order No. 13559 (fundamental principles and policymaking criteria for partnerships with faith-based and neighborhood organizations); and 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations). Award funds may also not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.

In the event a federal or state court or federal or state administrative agency makes or has made in the

past three years a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the subrecipient will forward a copy of the finding to the Office for Civil Rights, Office of Justice Programs, and the New Mexico Crime Victims Reparation Commission (CVRC).

Subrecipients will provide an Equal Employment Opportunity Plan (EEO) to the Office for Civil Rights, Office of Justice Programs and to CVRC, if required to submit one; otherwise, it will provide a certification to the Office for Civil Rights, Office of Justice Programs and to CVRC that it has a current EEO on file, if required to maintain one. For agencies receiving less than \$25,000, or agencies with fewer than 50 employees, regardless of the amount of the award, no EEO is required. Information about civil rights obligations of grantees can be found at www.ojp.usdoj.gov/ocr/. As clarified by Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, the subrecipient must take reasonable steps to ensure that LEP persons have meaningful access to its programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. Applicants are encouraged to consider the need for language services for LEP persons served or encountered both in developing their budgets and conducting their programs and activities. Additional assistance and information regarding LEP obligations can be found at www.lep.gov.

In accordance with federal civil rights laws, the subrecipient shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.

PROVIDING MEANINGFUL ACCESS TO VICTIMS WITH LIMITED ENGLISH PROFICIENCY (LEP)

National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). As noted above, to ensure compliance with Title VI of the Civil Rights Act and the Omnibus Crime Control and Safe Streets Act, subrecipients are required to take reasonable steps to ensure the LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including interpretation (oral communication in person and/or by phone/video) and written translation services, where necessary. Subrecipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing their applications and budgets and in conducting their programs and activities. Reasonable costs associated with providing meaningful access for LEP individuals are considered allowable program costs. The U.S. Department of Justice has issued guidance for grantees to assist them in complying with Title VI. The guidance document can be accessed at www.lep.gov or by contacting the OJP's Office for Civil Rights at 202-307-0690.

Executive Order 13199 requires that all recipients of federal financial assistance must take reasonable steps to provide meaningful access to LEP individuals. Among the factors to be considered in determining what constitutes reasonable steps to ensure meaningful access are: (1) the number or proportion of LEP persons in the eligible service population; (2) the frequency with which LEP individuals come into contact with the program; (3) the importance of the service provided by the program; and (4) the resources available to the recipients.

42 U.S.C. 2000d states: “No person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.” Different treatment based on a person’s inability to speak, read, write, or understand English may be a type of national origin discrimination.

All applicants are required to submit a clear, concise, and realistic LEP plan as part of the Additional Required Documentation. LEP information and a sample plan may be found at www.cvrc.nm.gov.

UNDERSERVED POPULATIONS

Underserved victim populations include but are not limited to the following federal definitions: Geographic Locations: Rural, Tribal, Underserved Urban, Other; Non-English Speaking: Spanish-speaking, Speaks a Native American language, Speaks an Asian language, Speaks another non-English language; Racial/Ethnic Groups: Hispanic, Native American, African-American, Pacific Islander, Other; Other Special Needs Populations: Mentally/emotionally challenged, Physically/medically challenged, Older victims, Migrant farm workers, LGBTQI, Immigrant, At-risk group and Other.

REPORTING OF FRAUD, WASTE, ABUSE, AND SIMILAR MISCONDUCT

Any credible evidence of potential fraud, waste, abuse or misconduct involving or relating to funds under this award should be reported to the OIG and CVRC.

RESTRICTIONS AND CERTIFICATIONS REGARDING NONDISCLOSURE AGREEMENTS AND RELATED MATTERS.

No subrecipient under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

NEW MEXICO EMPLOYEES HEALTH COVERAGE

Awarded subrecipients must certify their compliance with the applicable state and federal rules regarding provision of health insurance for employees, including agreement to advise all employees of the availability of State publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information: www.bewellnm.com.

SUBRECIPIENT ORGANIZATION ELIGIBILITY REQUIREMENTS

The New Mexico Crime Victims Reparation Commission State Implementation Plan establishes statewide funding priorities and strategies for administering VOCA Victim Assistance funds. All projects funded under this solicitation must support those priorities and comply with applicable federal and state requirements.

SERVICE POPULATION: VICTIMS OF CRIME

CVRC is required to take into consideration the following factors regarding service populations. A minimum of 10% of each federal grant will be allocated to each of these categories of crime victims:

- Sexual Assault
- Domestic Violence
- Child Abuse
- Underserved; VOCA Victim Assistance federal grant will be allocated to victims of violent crime (other than sexual assault, domestic violence, and child abuse, who are “previously underserved.” These underserved victims of either adult or juvenile offenders may include, but are not limited to:
 - Victims of federal crimes
 - Survivors of homicide victims
 - Victims of assault
 - Robbery
 - Gang violence
 - Hate and bias crimes
 - Victims of intoxicated drivers
 - Human trafficking
 - Economic exploitation
 - Fraud
 - Elder abuse

TYPES OF ELIGIBLE ORGANIZATIONS

Types of eligible organizations include non-profit victim service organizations, tribal organizations, faith-based and neighborhood programs, crime victim compensation programs, and public agencies (including federal, state, tribal, or local governments) and non-governmental organizations that provide assistance to victims of crime in New Mexico, which shall be used to provide emergency relief, including crisis response efforts, assistance, training, and technical assistance, and ongoing assistance, including during any investigation or prosecution, to victims of terrorist acts or mass violence occurring outside the United States.

ORGANIZATIONAL CAPACITY OF THE PROGRAM

Programs must demonstrate a record of providing effective services to crime victims and support from sources other than the Crime Victims Fund (VOCA VA). The program must also have substantial financial support (at least 25%) from sources other than the Crime Victims Fund. This organizational support requirement is separate from the required project match described below.

MATCH REQUIREMENTS

The purpose of matching contributions is to increase the amount of resources available to the projects supported by grant funds. All projects are required to provide matching contributions to the total cost of the VOCA Victim Assistance project and must be from non-federal sources. The total project costs

are the federal award plus the required matching amount. All funds designated as match are restricted to the same uses as the VOCA Victim Assistance funds, must be properly documented and accounted for, and must be expended within the grant period. Match must be provided on a project-by-project basis.

In-kind match may include: donations of expendable equipment, office supplies, workshop or classroom materials, workspace, (fair market /rental value) or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project.

The value placed on donated services must be consistent with the rate of compensation paid for similar work in the subrecipient's organization or within the labor market. The basis for determining the value of services, materials, equipment and space must be documented. The services they provide must be an integral and necessary part of the funded project.

All match funding must be identified, documented and properly tracked. If volunteer hours are used for match, they must be supported by the same or similar methods used by the subrecipient organization for its own employees. The basis for determining the value of services, materials, equipment, and space *must* be documented and included with the additional documentation required section of the application.

In the event the total match requirement is not met, the subrecipient will be required to REFUND the federal amount equivalence. For this reason, it is important to match and if possible, meet all match by the third quarter.

Federally recognized American Indian/Native American Tribes/projects that operate on tribal lands (current or new): EXEMPT FROM MATCH REQUIREMENTS.

The match budget must be included in the budget and budget narrative section of the VOCA Victim Assistance Application. Federal funds may not be used as match.

All VOCA programs: 25% (cash or in-kind) for the VOCA Victim Assistance Federal Grant (federal grant amount requested divided by 4).

The formula to calculate matching funds is: Federal amount requested divided by 4 (\$30,000/4=\$7,500)

Example:

Federal Grant Amount	\$30,000
Matching Funds	\$ 7,500
Total Program Costs	\$37,500

Match requirement amount: 25% (cash or in-kind) for the Federal Grant VOCA Victim Assistance project (federal grant amount) \$30,000 x 25% = \$7,500.

Match activities and services must be listed in the Primary Project Components.

USE OF VOLUNTEERS, COMMUNITY EFFORTS, COMPENSATION ASSISTANCE

Use of volunteers to support the project or facility in which the project is carried out is mandated unless CVRC determines there is a compelling reason to waive this requirement. Agency Board participation is not considered eligible as a voluntary activity since it is an administrative necessity in qualifying as a non-profit organization. Volunteers and the services they provide must be listed in the Primary Project Components.

Promotion of private and public community efforts to aid crime victims is required. See VOCA Rule for more information.

Informing and assisting victims in applying for compensation is required and includes assisting with application forms, collaboration with CVRC, posting the CVRC compensation poster in a public area, and providing potentially eligible victims with CVRC brochure.

COMPLY WITH FEDERAL RULES REGULATING GRANTS AND STATE CRITERIA

Subrecipients must comply with:

- The applicable provisions of VOCA Victim Assistance and required forms including submission of a Subgrant Award Report (SAR) upon award of funds,
- The Program Rule, and/or Regulations,
- Providing Authorizing representatives of OVC, OCFO and CVRC access to and the right to examine all records, books, paper or documents related to the VOCA grant,
- The requirements of the DOJ Grants Financial Guide and Part 200 Uniform Requirements, which include maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA Victim Assistance funds received (more information available at the Office of Justice Programs (OJP) website), Requirement to post and comply with Federal and State EEOC and the Fair Labor Standards Act and,
- Any additional eligibility or service criteria established by CVRC and the VOCA Victim Assistance contract.

DEMOGRAPHIC AND FINANCIAL DATA AND REQUIRED REPORTING

It is a requirement to maintain statutorily required civil rights statistics on victims served, when those receiving assistance voluntarily furnish such information. Demographic data includes:

Self-reported race/ethnicity, age, limited English proficiency, gender identity, physical or mental disabilities, homelessness, sexual orientation, veteran status, and immigrant/refugee/asylee status. This information must be compiled by the project and available upon request. Programs must permit reasonable access to its books, documents, papers, and records to determine whether the subrecipient is complying with applicable civil rights laws.

Programmatic (statistical) and financial (federal reimbursement and record of match invoices) must be correctly submitted in a timely manner. The subrecipient must collect and maintain data that measure

the performance and the effectiveness of activities under the award and identify who will be responsible for completing each report in the Primary Project Components. For examples, see www.cvrc.nm.gov. in the Resources tab (Documents to Download).

Appropriate accounting, auditing, and monitoring procedures will be used so that records are maintained to ensure fiscal control, proper management, and effective services are being provided to victims of crime. Written financial policies and procedures must be in place and followed.

Projects must be able to produce independent profit and loss (revenue/expenditure) statements for federal and match expenditures demonstrating that the funds are individually tracked and not commingled.

It is expected that on-site monitoring by CVRC of the subrecipient will be conducted at least once every two years, as staffing and resources allow.

NON-DISCLOSURE OF CONFIDENTIAL OR PRIVATE INFORMATION

Subrecipients must reasonably protect the confidentiality and/or privacy of persons receiving services under this program, as required by state and federal law. Locked file cabinets and/or locked file rooms are required for victim files and computers that contain victim information must be password and firewall secure. This provision does not act to override or repeal, in effect, a state's existing law pertaining to the mandatory reporting of suspected child abuse. Similarly, this provision does not prohibit access to a victim service project by a federal or state agency seeking to determine whether federal and state funds are being utilized in accordance with funding agreements.

NON-SUPPLANTING

VOCA Victim Assistance grant funds will be used to enhance or expand services and will not be used to supplant federal, state, and local funds that would otherwise be available for crime victim services. There is also a requirement to report potentially duplicative funding, i.e., if other awarded federal funds have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award.

AUDITS

A VOCA Victim Assistance funded agency is required by CVRC to submit a yearly audit to ensure proper fiscal management of funds, regardless of the \$1,000,000 federal dollar single audit threshold. If an agency does not meet the single audit threshold of the OMB Uniform Guidance, VOCA funds will need to be reviewed by an independent auditor who can verify in accordance with applicable generally accepted auditing or attestation standards established by the American Institute of Certified Public Accountants (AICPA) that funds are not being commingled with other funding sources, are tracked, reconcile when randomly tested, and that there is no identified fraud, waste, or abuse of funds. Award funds may be withheld if subrecipients fail to satisfactorily and promptly address outstanding issues from audits. Agency financials must also be posted on the agency website.

If an agency audit has not been completed, an explanation must be submitted along with other reliable demonstration of financial stability and capacity for administration of federal funds. The documentation will be reviewed and are subject to CVRC approval prior to funds being awarded.

TRAINING REQUIREMENTS

OVC TTAC

All direct victim service staff funded under this award must complete the required OVC TTAC training modules within 90 days of hire or assignment to the VOCA-funded project unless otherwise approved by CVRC.

It is recommended to number each of the components such as Goal #1 with Measurable Objective #1 and Implementing Activity #1A, #1B, #1C as an example. If you have never developed Primary Project Components,

you are not expected to be able to complete the form based solely on this explanation.

If you are planning to use Federal or Match funds to attend any training event (including the required Compensation/Grant training and national trainings, etc.) include these items in the Primary Project Components.

LIMITED ENGLISH PROFICIENCY (LEP) AND ACCESSIBILITY PLAN

The Federal government and those receiving assistance from the Federal government must take reasonable steps to ensure that LEP persons have meaningful access to the programs, services, and information those entities provide. This will require agencies to develop creative solutions to address the needs of this ever-growing population of individuals whose primary language is not English. This plan must also meaningfully address services to persons who are deaf and hard of hearing and individuals with disabilities have meaningful access to the programs, services, and information those entities provide. An electronic copy of the original document(s) must be attached.

Instructions for Applicants for LEP Plan

Develop a plan/protocol on the way in which your organization/agency will provide services to LEP victims. The plan must be clear, concise and your agency must have the ability to carry it out. Go to www.cvrc.nm.gov to review a sample plan and additional information that will assist you with plan development. An electronic copy of the original document(s) must be attached in the Additional Documentation Required section.

Who is a Limited English Proficient Person?

Persons who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English can be limited English proficient, or “LEP”. These individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

Who Must Comply?

All programs and entities that receive assistance from the Federal government (i.e., recipients), including:

- State and local agencies
- Private and non-profit entities
- All Subrecipients (entities that receive Federal funding from one of the recipients listed above) also must comply.
- All programs and operations of the Federal government also must comply.
- Recipients Title VI of the 1964 Civil Rights Act

“No person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.” 42 US C. 2000d. Different treatment based on a person’s inability to speak, read, write, or understand English may be a type of national origin discrimination.

Recipients and Federal Government Executive Order 13166

This Order, “Improving Access to Services for Persons with Limited English Proficiency,” directed Federal agencies to:

- Publish guidance on how their recipients can provide access to LEP persons.
- Improve the language accessibility of their own Federal programs.
- Break down language barriers by implementing consistent standards of language assistance across Federal agencies and amongst all recipients of Federal financial assistance.
- The Order covers all Federal and Federally assisted programs and activities.

Obligations: Four-Factor Analysis

Recipients of Federal financial assistance have an obligation to reduce language barriers that can preclude meaningful access by LEP persons to important benefits, rights, programs, information and services. (The Federal government has the same obligations as a result of Executive Order 13166.) The starting point is an individualized assessment that balances the following four factors:

- The number or proportion of LEP persons eligible to be served or likely to be encountered by the program or grantee/recipient;
- The frequency with which LEP individuals come in contact with the program;

- The nature and importance of the program, activity or service provided by the program to people's lives; and
- The resources available to the grantee/recipient and costs.

Elements of an LEP Policy/Plan

Elements that may be helpful in designing an LEP policy or plan:

- Identifying LEP persons who need language assistance
- Identifying ways in which language assistance will be provided
- Training staff
- Providing notice to LEP persons
- Monitoring and updating LEP policy

Examples of Language Assistance Services

- Direct foreign language communication by fluent bilingual staff.
- Interpretation (oral) conducted in-person or via telephone by qualified interpreters.
- Translation (written) by qualified translators.

An electronic copy of the document(s) must be attached in the Additional Documentation Required file submitted. Subrecipients that are not non-profit organizations can skip this section.
